## Sew & Vac

— SINCE 1947 —

We hope this finds all of our wonderful customers well and safe.

In light of the recent COVID-19 virus, newest information from the CDC and Governor DeWine, we have decided to close our showroom until April 1. Our first priority is to our customer's and staff's health and well being.

We have re-scheduled our KimberBell Kitchen and Tea Party events and the rest of our March and some of our April classes. We will be contacting you with new event dates for KimberBell events. You have an updated newsletter with the new dates of classes that have been changed, in your email. If you missed this information, it can be found on our website with the new class dates listed in red.

We will continue to service your sewing machines and vacuums that have already been dropped off provided that the State does not direct us to close our service doors. When your machine is serviced and ready for pick up, we will contact you to arrange a pick up time.

You can contact us through our email, [kramers@fuse.net](mailto:kramers@fuse.net) or message us on our Facebook page, [Kramersews](#) and we will answer your questions.

We look forward to getting through this and getting back to our regularly scheduled programming.

Thank you for your understanding in this new and uncharted territory and time.

Sincerely,

Your Kramer's Family
