

**Got scraps?**

## **Our House Puppy Dog Bed Maker needs them!**

Scraps, old quilt tops, old pillows (these are the best for dog beds) fleece, cotton, batting scraps and old fabric that was donated or left behind by a sewist close to you. **Please note:** Remove any items containing sharp or metal pieces and remove old pins please. We offer one full day event at our Event Center at Kramers to make and collect these beds for donation.
